

# Call for Papers

## International Conference on Engineering Tribology and Applied Technology 2016 (ICETAT 2016)

### Welcome

We are pleased to invite you to **International Conference on Engineering Tribology and Applied Technology 2016 (ICETAT 2016)** THEME: "Engineering Tribology and Applied Technology ", which is scheduled from **November 4-6, 2016 in Taipei, Taiwan.**

### Scope of the Conference

The aim of the ICETAT2016 is to gather academic scholars and industry engineers from all over the world to present advanced technologies in the aforementioned fields and to foster an environment conducive to exchanging ideas and information. The ICETAT2016 will provide a platform to assemble engineers, researchers, practitioners, and academics to present and discuss ideas, challenges and potential solutions on established or emerging topics relating to research and practice in Engineering Tribology and Applied Technology.

### Publication

Most of the accepted papers will be published on EI indexed journals. Excellent and high quality papers will be recommended to be published on the SCI journals after extension of the papers and an additional reviewing process.

### About Taipei and Festival

Taipei is the political, economic, educational, and cultural center of Taiwan, and one of the major hubs of the Chinese-speaking world. Considered to be a [global city](#),<sup>[5]</sup> Taipei is part of a major high-tech industrial area.<sup>[6]</sup> [Railways](#), [high-speed rail](#), [highways](#), airports, and bus lines connect Taipei with all parts of the island. The city is served by two airports – [Taipei Songshan](#) and [Taiwan Taoyuan](#). Taipei is home to various world-famous architectural or cultural landmarks which include [Taipei 101](#), [Chiang Kai-shek Memorial Hall](#), [Dalongdong Baoan Temple](#), [Hsing Tian Kong](#), [Mengjia Longshan Temple](#), [National Palace Museum](#), [Presidential Office Building](#), [Taipei Guest House](#), [Ximending](#), and several [night markets](#) dispersing over the city. Its natural features such as [Maokong](#), [Yangmingshan](#), and [hot springs](#) are also well known to international visitors. There will be plenty of activities such as music performances and brilliant sightseeing for all of the tourists to enjoy during the conference time.

### Conference Website
